

# Activity Outline

**Activity Name:** Poster Drop

## Principle:

Sober drivers

Safe speeds

No distractions

Avoiding risks

Driving to the conditions

Building experience

**Summary:** Order free posters from our website and put them up around the school! You could also ask to have a permanent display in a busy area that you can regularly update.

## Current Available Resources:

- Free SADD resources such as posters and stickers

## Notes:

- Keep your posters fresh and relevant –update them regularly and include things that the students at your school will relate to and find interesting.
- Choose your location wisely – somewhere that will be seen by lots of people is ideal.
